Allowance:-

The following is an examiner's statement of reasons for allowance:

The claims 1 and 5 are found to be allowable over the compounds of the prior art.

The declaration filed 4/14/09 does show unexpected results for a benzyl group as compared to a phenyl group directly linked to the pyrazole.

The rejection over EP '725 ( WO 01 /42244 ) has also been withdrawn as the applicants arguments that the  $-(CH_2)-A$  group is not linked to the pyrazole but to the naphthyridine is found to be convincing and hence the rejection has been withdrawn.

Claims 1 and 5 are now found to be allowable.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Rita J. Desai whose telephone number is 571-272-0684. The examiner can normally be reached on Monday - Friday, flex time..

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Janet Andres can be reached on 571-272-0867. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
